

Digital & Branding Intern  
Internship Position – Indonesia - 2024

**The Opportunity**

At Equatorise, we offer a unique and exceptional career experience to inspire and empower Indonesia's brightest and highly-motivated talents like you to make an impact that matters for our clients, global NetZero targets, and community. Our internship program will provide you with everything you need to shape the start of your career by learning new skills, getting insights, and realise your full potential.

This is your opportunity to begin your professional journey in the consulting industry in a highly inclusive team culture where everyone is supported, respected and recognised for their contribution.

**About Equatorise**

Equatorise is an international consulting firm headquartered in London. We help our clients to navigate disruptions from the Covid-19 pandemic and to discover opportunities from the twin transformation of the decade – stemming from digital transformation and sustainable transition into a net-zero post-pandemic future.

To succeed at Equatorise, we need people who can work independently and be proactive to develop their own viewpoints, yet be collaborative. We need strategists that are both dynamic and structured to generate the unique perspectives and consistent support that our clients really value.

**About the Program**

You will work in a diverse team on exciting international projects involving Indonesia and the Europe/UK based stakeholders.

**The work you'll do as an Intern:**

- Assist with Marcomm-related requests from internal stakeholders
- Support development of internal communications, e-blast, web content, social media, press releases, collateral, posters, flyers and other materials
- Support and coordinate events and conduct research
- Provide assistance on projects that require scheduling, follow up, and other support

In return, we offer relevant development as you commence your career in Digital & Branding, an opportunity to work with like-minded people, and exposure to a variety of projects.

Our internship program will run for 10-12 weeks.

Enough about us, let's talk about you.

We LOVE to work with these qualities (and we promise you'll meet like-minded teammates here)

- Demonstrable strategic thinking and problem-solving skills
- Excellent capacity and curiosity to understand complex issues, and in asking the right questions to help articulate possible solutions
- Ability to adapt to changing conditions at a fast pace, effective time management, and a good sense of humour!
- Team player with excellent communication and interpersonal skills
- Strong client & stakeholder engagement

**Bonus points if you**

- Strong academic performance in your bachelor's degree; on track for a first-class degree (or equivalent) from reputable universities in the UK, Europe, or the US
- Key position of responsibilities at the university and ability to showcase transferrable skills
- Evidence of active interests in communications, media relations, and PR

**If this sounds like you:**
